Continuation of Substance of Interview including description of the general nature of what was discussed: Claim 50, which had been rejected by the first Examiner prosecuting this application, was inadvertently indicated to be allowable in the previous Office action. In response to the indication of allowability of claim 50, Applicant had amended Claim 49 to include the limitation/s of claim 50, and added claim 78 which is substantially similar to amended claim 49. Examiner Moise notified Mr. O'Rourke of the inadvertent indication of allowability of claim 50, and Mr. O'Rourke has authorized Examiner Moise to cancel claims 49 and 78 (See attached Examiner's Amendment).
